DURA-GLIDE Garage Door Lubricant

Helton Industries introduces **DURA-GLIDE** Garage Door Lubricant.

DURA-GLIDE is specifically suited to garage door applications. It has an ideal viscosity and better penetration attributes than other products on the market. The product is clear to reduce staining, has a friendlier smell than other common garage door lubricants and it contains no harmful chlorinated solvents or silicones.

DURA-GLIDE comes in an attractive 16 oz. aerosol can with a red spray tube. Instructions are clearly marked in English, Spanish, and French. **DURA-GLIDE** is conveniently available in cases of 12 and can be ordered with the rest of your Helton shipment.

For long term volume pricing, please contact your Helton sales representative for a quotation.
