

## Product Bulletin

### Product line expansion – Vinyl Perimeter Weather Seal

We are pleased to announce that effective immediately Helton will become a major Western distributor of **Vinyl Perimeter Weather Seal**. Distribution will be focused along Helton's major freight routes in the Western USA and Canada. Colors include White, Almond, Sandstone and Brown in lengths from 7 feet to 18 feet.

The addition of Perimeter Weather Seal to an installation provides protection from outdoor elements, value for your customers, and a clean finished look to the door.

This product line expansion is another step towards providing one stop shopping efficiency for our customers. Call us now to order Vinyl Perimeter Weather Seal on your next weekly shipment!

For more information or to request a quotation, please contact your Helton Sales and Service Representative.
