11 Gauge Hinges

Helton is pleased to announce the addition of #1 Half Hinges to our family of 11-gauge heavy-duty hinges. These are perfect for heavy doors with narrow rail construction such as wood panel and full-view aluminum doors.

Helton 11-gauge hinges are available in sizes from #1 to #12 and feature 4 mounting holes on each leaf for wind load and heavy door applications. The Half Hinges feature 3 mounting holes per leaf.

Our 11-gauge hinges are produced with G60 galvanized steel and are packaged 50 hinges per box.

For more details on these and other products available through Helton Industries, please contact your Helton sales representative at 877-300-7412 or view our on-line catalog at www.heltonindustries.com
