Expanded DURA-GLIDE Offering

Helton Industries is pleased to offer our customers an expanded product line that includes our improved formula **DURA-GLIDE** garage door lubricant.

- **New and Improved Formula**
- **Now Available in Small Cans**
- **Private Label Program Available**

The improved DURA-GLIDE formula's higher viscosity provides longer term lubrication. All cans feature a directional nozzle tube that allows for controlled and accurate application with no risk of losing the tube.

DURA-GLIDE is available in large 14 oz. cans as well as handy sized 5 oz. cans. We also offer low volume, short lead time private labeling in both sizes using your company graphics. The private labeled option is an excellent way of leaving your company information in your customer's hands.

Please contact your Helton sales representative at 877-300-7412 for pricing and samples.
